

Game Developer Application

Please send application to: ttsugarush@protonmail.com

Requirements:

- Staff members must be at least 15 years old
- Must have experience with Github
- Must be able to receive and give feedback
- Must be Experienced with Panda3D 1.10.6 or Higher
- Must be able to work well with others

Section 1: Basic Information and Availability

- What is your name?
- What are your nicknames/pseudonyms?
- What are your pronouns?
- How old are you?

- Are you an active Toontown player? What is your relationship with the original Toontown Online?
- Have you ever worked for another Toontown server? Please name all of them, if applicable.
- What timezone are you in?
- When are you available?

Section 2: Experience

- Rate your Python Knowledge (1 to 5. 1 being none at all, and 5 being that you're the best anyone has ever seen!)
- What Other Programming Languages do you know (if any)?
- How long have you been working with Panda3D?

Section 3: Contact Information

- What is your discord username and tag? (**EX:** cookieeater#7645)
- Is there anything else we should know about regarding you?

Special Section:

- Please attach a previous project of yours along with this application. This can be Toontown related or otherwise.

If you are contacted about an interview, the final part of the process will be an assessment of Skill Level. (This will be done by the Game Development Team Lead)
